### FLEET ATHLETICS TO BE AT HONOLULU ATHLETIC PARK

San Francisco Agent Arranges Schedule of Baseball, Boxing, Wrestling and Other Sports.

A cable from the San Francisco representative of the Athletic Park management last evening stated that he had succeeded in arranging for all the fleet athletic events to be pulled off at the Athletic Park.

This means that all the baseball, boxing, wrestling and other games that the sailors take part in will be seen at the park. No details are known nor will be until the next mail arrives from the Coast, and the final details will not be arranged until the fleet arrives here.

This action of the management, while an excellent stroke of business for themselves, is also a rattling good thing for the sailors and the public of Honolulu. The park is centrally located and is easy to find. If anybody wants to go and see a game between any of the teams, they will know exactly where to go without having to hunt up information on the subject.

But the great beauty of this arrangement is that a regular series in all kinds of sports can be arranged and brought off without hitch. If the sailors want to have a separate baseball series while they are here they can do so and be sure of having a good diamond to play on, with efficient umpires and scorers to look after their interests.

A series of boxing and wrestling bouts for the championship of the fleet is also to be arranged, very much in

the same way that Jim Jeffries did in Los Angeles when the Atlantic fleet was there. The boxers and wrestlers will be entered in their different weight classes and a substantial purse of prize will be put up for the winner of each series.

For the evening events, such as boxing and wrestling, a well-lighted ring will be erected in such a way that it can be placed in front of the grandstand and removed each day, to make room for the baseball games.

Boxing, as conducted by the sailors in the fleet, lacks all the essential elements of prize-fighting. The rounds are of only two minutes duration, the gloves used are heavy and the boys box exclusively for points. Knockouts and bloodspilling are rare.

As soon as the park people heard that the fleet was coming here they communicated with a man in San Francisco and told him to go to work and make the arrangements. So far as the sailors were concerned he was to make any arrangements that were agreeable to them. He was to secure a list of teams and athletes as nearly as possible complete and fix up a tentative schedule with the officer in charge of athletics.

This has all been attended to according to the cable received and, with a prearranged schedule of events, the visitors will have a much better chance to show what they can do than has been the case heretofore when everything was haphazard and games and bouts were arranged on the spur of the moment.

### MISS HALL AND STEERE WIN OUT

Finals of Gentlemen's Doubles Today Will Finish the Tournament.

Yesterday's Tennis Results.

Miss Hall and F. E. Steere beat Mrs. Hind and Sonny Cunha, 7-5, 6-1. Winning the mixed doubles championship of the Islands.

Greenfield and McKeever, from Ewa, beat Will Roth and Bill Williamson in the semi-finals of the gentlemen's doubles, 9-7, 4-6, 6-3.

Today's Play.

At 4 p. m. this afternoon the tournament will be finished when E. S. Gee and Sonny Cunha play Greenfield and McKeever for the finals in the gentlemen's doubles, the only championship in the tournament remaining undecided.

There was a large delegation from Ewa to watch the two experts, McKeever and Greenfield, from those distant and woolly wilds, hand it to Will Roth and Williamson in the semi-finals of the gentlemen's doubles on the Beretania courts yesterday afternoon.

It was a hard and fast match and was watched with intense interest all the way through. The Ewanese took the first set but they had to play sixteen games to get there and finally won 9-7.

Then the former Hawaiian champion and Williamson took a large brace to themselves and set Ewa back one by taking the second set 6-4. But the sugar-boilers were not to be held down. In the last set, a tensely exciting affair, they slacked sheets and ran through their opponents' lee, coming out ahead double up, 6-3.

Miss Hall and F. E. Steere had a not very hard task with Mrs. Hind and Sonny Cunha. The latter made the victors play some in the first set, taking it 7-5 but the second set was a comparative walkover and the Hall-Steere team took it 6-1.

Now the tournament is finished all save the finals of the gentlemen's doubles which will be played this afternoon. The Ewa team will be up against a hard combination in Gee and Cunha and the match should result in some very exciting playing. An even larger Ewa congregation than ever will

## Fetching New Designs

FOR EVENING WEAR

From Rochester, New York and Philadelphia, have just been received.

The new DRESDEN TIES in Black Suede, Bronze Kid, White Suede and Patent Leather are new this season from the factory of Laird, Schober & Co. of Philadelphia.

You are thereby assured of comfort, correct style and detail. Why pay a little less and take chances in getting something which is not correct. You can't make a mistake in these.

be present and it looks as though the Beretania courts would have a larger and more representative gathering to watch these final games than ever before.

Dr. Alfred Wall, who has acted as official scorer throughout the tournament, has done yeoman service for the good of the game. He has put himself to considerable inconvenience to be always on hand and the tennis players have a large Aloha for him on that account.

### NEW AUTO STAND.

The Honolulu automobile stand, under the management of Messrs. Geo. C. Beckley, Jr., and C. H. Behn, is now open for business. Their new garage, only just completed, at the corner of Alakea and Hotel streets, is one of the best in the city, and in addition to their already fine lot of cars, among them a Packard Landaulet, they have ordered a number of the latest 1910 model, seven-seated Stoddard-Daytons and Packards, these last-named cars being now on the way. Both Mr. Beckley and Mr. Behn are old hands at the business, and the public is fortunate in having placed at its disposal an automobile service equal to any on the mainland.

### TOGGERY IMPROVEMENTS.

Following the lead of the big clothing establishments on the mainland, the Toggery has installed a complete set of cabinets for holding ready-to-wear clothing. The cases, or cabinets, are conveniently arranged in the back of the store, just at the rear of the handsome new cases for hats. In the room formerly occupied as an office will be placed some two-story cases, so that more of the large stock may be conveniently displayed to customers. As this is the season when mothers feel the necessity for looking after the needs of children, the Toggery will direct its publicity darts in their direction in an advertisement tomorrow in these columns. Mothers will find plenty to interest them, and the children in the stock of goods in Silva's Toggery.

### CARPA NOT GUILTY.

Pedro Carpa, the Porto Rican indicted by the grand jury on the charge of assault with a deadly weapon, was found not guilty by Judge De Bolt's jury yesterday morning.

Miss Werthmuller will resume her piano instruction on September 7. Arrangements for lessons can be made at her home, 1649 Beretania avenue, today until 4 o'clock and Tuesday forenoon.

### DOWN AT DICK'S.

Every Saturday, a turkey lunch and other refreshments at the Royal Annex bar. Everybody invited.

Carmen C. Sinton has brought suit for divorce from Pedro Sinton on the ground of nonsupport.

### BOTH TEAMS ARE VERY CONFIDENT

It was supposed until yesterday that the Diamond Head and Saint Louis teams, who are very evenly matched and have it in for each other, would perform at the Athletic Park on Monday. Yesterday it was decided to stay by the league grounds, and there will be a double-header, in which the Kams and Puns will appear in the first spasm and the enemies will disport in the second game.

Both games look as though they should be well worth seeing. The Kams and Puns have shown that they are evenly matched, and the other two teams are worked up to a considerable pitch of emulation. There is quite a lot of feeling over this game. Jibes have been passing freely between the members of the two aggregations and their friends, and they will be out for nothing but blood on Monday.

### ANOTHER CHANCE FOR DRAGONLETS

The Athletic Park games for Monday should both be of the usual rapid variety that one is accustomed to see there. The Asahis have recently returned from Maui, where they did well by winning one out of two games against the Japs of that island. They are an exclusively Japanese team, as is the C. A. C., Jr., an exclusively Chinese team.

The piece de resistance, however, will be the C. A. C. Seniors against the J. A. C. There is a tremendous amount of feeling on account of the victory gained by the Japs last Sunday, and the latter are determined to show that they can do it again, while the Dragonlets mean to reverse the decision. It will certainly be a hot scrap.

THE SAINTS, WHO HAVE IT IN FOR THE JEWELS, AND WILL SLIP THEM SOMETHING NEXT MONDAY—ACCORDING TO THEM.
